Joy to the World Christmas party

Take the children in your church and community on a trip around the world to see how other countries celebrate Christmas in a one-hour party club of live interaction, songs, games, Bible lessons !

Children will look at Christmas through the eyes of the prophet Isaiah and discover how the prophecies about the Savior of the world are fulfilled in the person and work of Jesus Christ.

We will also look at how people celebrate the most beloved holiday in the world. Children will learn that God's love is for all people!

It will reinforce the truth that Jesus was prophesied hundreds of years before His birth and that the Bible can be trusted.

Curriculum, including video resources, is only \$40.

*Club teachers may be available for an additional \$60.
